# ABOUT COMPANY

---

## *About us*

Helper company specializes in high-quality packaging solutions with our brand, CSM.

We offer food-safe packaging for cups, plates, vacuum sealing and can closure machines.

Our clients include cafes, restaurants, supermarkets, hotels and small to medium-sized factories. We're committed to delivering the latest, most suitable solutions to meet your needs.

## *Our Mission*

To provide premium, safe, and innovative packaging solutions that enhance product presentation and ensure freshness.

## *Our Vision*

To be the leading provider of packaging solutions in Middle East and Africa, renowned for quality, innovation, and customer satisfaction.

A decorative graphic at the bottom of the page consisting of three overlapping curved shapes: a yellow circle on the left, a green circle in the middle, and a dark blue circle on the right.

# Our Values

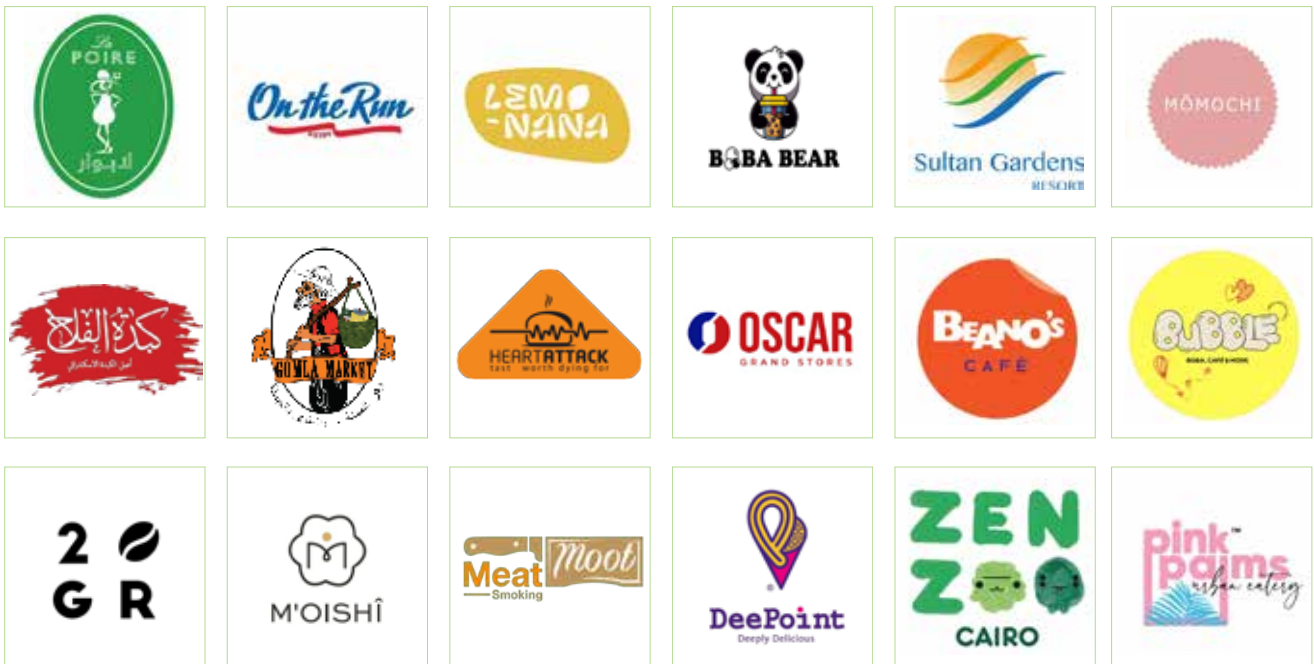

*Quality: Excellence in every product.*

*Innovation: Continuous improvement and innovation.*

*Sustainability: Eco-friendly practices.*

*Customer Satisfaction: Superior service and support.*

## OUR CLIENTS

# CUP SEALING MACHINES

## Fully Automatic Cup Sealing Machine

PRODUCT CODE  
SM906

- Intelligent Control Panel
- Manual and automatic modes
- Accuracy with photoelectric sensor
- Counting function
- 2 digital Screens
- Film materials: PP or PET
- Output: 400-500 cups/hr
- Voltage: 220V, 50Hz
- Power : 400W

## Automatic Cup Sealing Machine

PRODUCT CODE  
SM905

- Digital Control Panel
- Manual and automatic modes
- Accuracy with photoelectric sensor
- Counting function
- 2 digital screens
- Film materials: PP or PET
- Output: 350-450 cups/hr
- Voltage: 220V, 50Hz
- Power : 400W

## Semi-automatic Cup Sealing Machine

PRODUCT CODE  
SM903

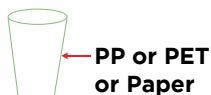

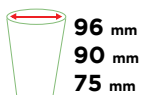

- Automatic film rolling
- counting function with digital screen
- Film materials: PP or PET
- Output: 300-450 cups/hr
- Voltage: 220V / 50Hz
- power: 300w

## Manual Cup Sealing Machine

PRODUCT CODE  
SM902

- Manual film rolling
- Film materials: PP or PET
- Output: 300-400 cups/hr
- Voltage: 220V / 50Hz
- power: 250W

# CAN SEALING MACHINES

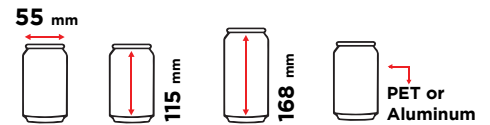

CODE CN-301S

CODE CN-302A

CODE CN-302S

- Intelligent control panel
- LCD screen
- Automatic counting
- Sealing time: 3 second
- Emergency stop
- Voltage: 220V, 50Hz
- Power :250W

# TRAY SEALING MACHINE

PRODUCT CODE  
TM-27A

## Fully Automatic Tray Sealing Machine

- Automatic film rolling
- Digital Screen
- Automatic Counting
- Tray size : 21\*14cm or 26\*17cm
- Tray Materials: PP, PET, PC, and Paper
- Film materials: PP or PET
- Output: 300-450 trays /hr
- Voltage: 220V / 50Hz
- power: 300W
- power: 400W

PRODUCT CODE  
TM-27S

## Semi Automatic Tray Sealing Machine

- Automatic film rolling
- Digital Screen
- Automatic Counting
- Tray size : 21\*14cm or 26\*17cm
- Tray Materials: PP, PET, PC, and Paper
- Film materials: PP or PET
- Output: 300-450 trays /hr
- Voltage: 220V / 50Hz
- power: 300W

PRODUCT CODE  
TM-21M

## Manual Tray Sealing Machine

- Tray size : 21\*14cm or 26\*17cm
- Tray Materials: PP, PET, PC, and Paper
- Film materials: PP or PET
- Output: 300-400 trays/hr
- Voltage: 220V / 50Hz
- power: 300W

# VICUMME MACHINES

## Single Chamber Vacuum Machine

- Material: stainless steel
- Voltage: 220v
- Motor power 370
- Sealing power 200
- Single chamber

PRODUCT CODE  
DZ260

- Pump rate 6.5m<sup>3</sup>/h
- Chamber dimensions: 325\*285\*50mm
- Dimensions: 405 x 320 x 360 mm

## Table Style Vacuum Machine

- Material: stainless steel
- Voltage: 220v
- Motor power 370
- Sealing power 320
- Single chamber

PRODUCT CODE  
DZ320

- Pump rate 6.5m<sup>3</sup>/h
- Chamber dimensions: 355\*345\*70mm
- Dimensions: 460 x 390 x 400 mm

## Double Chamber Vacuum Machine

- Material: stainless steel
- Voltage: 220v
- Motor power 1000
- Sealing power 400

PRODUCT CODE  
DZ400

- Double chamber
- Pump rate 20m<sup>3</sup>/h
- Chamber dimension: 435\*300\*200
- Dimensions: 540 x 490 x 950 mm

## Flip Double Chamber Vacuum Machine

- Material: stainless steel
- Voltage: 220v
- Motor power 2000
- Sealing power 1000

PRODUCT CODE  
DZ600

- Double Chamber
- Pump rate 20\*2m<sup>3</sup>/h
- Chamber dimension: 650\*508\*120
- Dimensions: 1405 x 712 x 959 mm

# OUR SERVICES

- Film materials : PP , PET
- Logo printing
- Custom modification
- Consumables : Cups , Trays , Cans , Vacuum bags .....etc
- Maintenance

## OTHERS

**Full Automatic Cup Filling and Sealing Machine**

**Sealing Machine with Shrink Tunnel**
